T'was Grace that taught my heart to fear
And Grace my fears relieved
How precious did that Grace appear
The hour I first believed

Through many dangers, toils and snares
I have already come
'Tis Grace that brought me safe thus far
And Grace will lead me home

The Lord has promised good to me
His word my hopes secures
He will my shield and portion be
As long as life endures

Amazing Grace, how sweet the sound
That saved a wretch like me
I once was lost but now am found
Was blind but now I see **Shimmee END**

THE SWIMMING SONG IN G by Loudon Wainwright III

[G] This summer I went swimming

[Dsus2] This summer I might have [Em] drowned

But I held my breath and I [C] kicked my feet

And I [Dsus2] moved my arms a [Em] round,

I [D7] moved my arms a [G] round

This summer I swam in the ocean

Swam in the swimming pool

Salt in my wounds, chlorine in my eyes

I'm a self-destructive fool,

I'm a self destructive fool.

Instrumental verse

This summer I did the backstroke

And you know that that's not all

I did the breast stroke and the butterfly

And the old Australian crawl,

The old Australian crawl.

This summer I swam in a public place

And a reservoir to boot

At the latter I was informal

At the former I wore my suit,

I wore my swimming suit.

Instrumental verse

This summer I did swan dives

And jack knives for you all

And once when you weren't looking

I did a cannonball,

I did a cannonball

This summer I went swimming

This summer I might have drowned

But I held my breath and I kicked my feet

And I moved my arms around,

I moved my arms around **Shimmee END**
